- 2- The offer is without obligations. The entrepreneur has the right to change and adjust the offer.
- 3- The offer contains a full and precise description of the products and/or services offered. The description is sufficiently detailed to allow the consumer to properly evaluate the offer. - 4- All images and specifications in the offer are indicative and cannot lead to compensation of damages or annulment of the agreement.
- 5- Pictures of products are a true representation of the products offered. Entrepreneur cannot guarantee that the displayed colours exactly match the real colours of the products.

to the entrepreneur, received the products.

2- During this reflection period the consumer will treat the product and its packaging with care. He or she will only unpack and use the product to the extent necessary to be able to assess whether he wants to keep the product. In case the consumer makes use of his right of withdrawal he or she will return the product with all its accessories and - if reasonably possible - in its original state and packaging to the entrepreneur, in accordance with the reasonable and clear instructions provided by the entrepreneur.

3- If the consumer wishes to make use of his right of withdrawal he or she will have to make this known to the entrepreneur within 14 days after receipt of the product. To let it be known to the entrepreneur, the consumer should make use of the 'model withdrawal form', send an e-mail to contact@zeonmarket.com or by giving a call. If the consumer wishes to use e-mail the consumer should add the order number, the product name and number, and the consumer's name and address or use the model withdrawal form. After the consumer has indicated that he or she wants to make use of his or her right of withdrawal the consumer will have to return the product within 14 days. The consumer needs to prove that the products delivered goods have been returned in time, e.g. by means of proof of shipment.

4- In case the client has not indicated that he or she will make use of his or her right of withdrawal after the under article 6.2 and article 6.3 mentioned time periods, respectively has not returned the product to the entrepreneur, the purchase is a fact.

The products must be returned in their original packaging and in new condition. Article 12 - Pre-orders

1- Zeonmarket also offers the possibility of pre-orders. However calculation of their shipping costs is separate from those of regular products in the shopping cart. This is because pre-orders are shipped separately from regular products and therefore also have their own shipping costs. Shipping costs of pre-orders are generally added on the product page itself and have no influence on the shipping costs of regular products in your shopping cart. The shipping costs for pre-orders are, depending on the size and weight of the pre-order, €4.95 for letterbox packages (Netherlands only) and €6.95 for normal packages in the Netherlands. If the consumer wishes to place a pre-order in his or her shopping cart the consumer will see any additional shipping costs as a mandatory option on the product page of the pre-order itself. Once the consumer has selected this option, he or she can add the pre-order to the shopping cart and carry on shopping or proceed to the checkout.

If there is a date indicated on the website with the pre-order, Zeonmarket will do its very best to ship the pre-order on that date, however, the date indicated on the website on which the pre-order will be received and dispatched by Zeonmarket serves as an indication and no further rights may be derived from it. If a pre-order is not available from the supplier, the order will be cancelled and the full amount will be refunded. Pre-orders are subject to the normal right of withdrawal and warranty. - 3- Complaints submitted to the entrepreneur shall be answered within a period of 14 days from the date of receipt. If a complaint requires a foreseeably longer processing time, the entrepreneur will respond within the period of 14 days with a notification of receipt and an indication when the consumer can expect a more detailed answer.
- 4- If a complaint cannot be resolved in mutual agreement, a dispute will arise that is subject to the dispute resolution procedure as described in article 14 in these Terms and Conditions.
- 5- In the event of complaints, a consumer should first turn to the entrepreneur. If the entrepreneur and the consumer are unable to come to a mutual agreement it is also possible to register complaints via the European ODR platform (<http://ec.europa.eu/odr>).
- 6- A complaint does not suspend the entrepreneur's obligations, unless the entrepreneur indicates otherwise in writing.
- 7- If a complaint is found to be justified by the entrepreneur, the entrepreneur will, at his discretion, either replace or repair the delivered products free of charge.
